E-mail:

SUBJECT: Gulf Inspection International Co. at Subhan, Kuwait - Laboratory Validation
VALIDATION EXPIRES 8 March 2025

Dear Sivarama Krishnan Kishore,

This letter confirms the completion of inspection and validation for the Gulf Inspection International Co. materials testing laboratory located at Subhan, Kuwait.

This laboratory is approved to perform the materials tests listed on the attached Tables 1-5 for Middle East District (MED), U.S. Army Corps of Engineers (USACE) projects. This validation is based on the laboratory inspection performed by MED 7-8 March 2022.

This validation record will be included with records that are maintained at the MED Headquarters in Winchester, Virginia. This approval is valid until **8 March 2025**. To maintain validation past **8 March 2025**, the laboratory must be re-inspected by MED. The laboratory must request renewal prior to **8 March 2025**.

This validation applies only to the location(s) listed above and is contingent upon the laboratory's continued adherence to applicable testing and quality control standards and equipment calibrations. MED may revoke this certification or require re-inspection at any time.

The inspection and validation process for the laboratory adhered to procedures outlined by the Materials Testing Center (MTC), which is located at the Geotechnical and Structures Laboratory (GSL), U.S. Army Engineer Research and Development Center (ERDC) in Vicksburg, Mississippi, USA. To facilitate construction in Gulf Region countries, MED conducts laboratory validations in accordance with MTC protocol.

Questions about this certification or requests for renewal should be sent to DLL-CETAM-CONSTRUCTION-LAB@USACE.ARMY.MIL.
